Note.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published. A list of the Appointments, &c., which have taken place between the 20th and the 24th ultimo inclusive will be found at page 597.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines Retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

The EDITOR of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON.

\*\*\* Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be post paid, in order to ensure attention, but it is more convenient to address to the Editor direct, as above, upon such subjects.

The NAVI LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

#### MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon a tual service.

# SERVICE REQUIRED TO QUALIFY OFFICERS FOR PRO-MOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.-C.

At the Court at Osborne House, Isle of Wight,

The 4th day of August 1873.

#### Present:

The QUEEN'S most Excellent Majesty in Council.

When we shore was this day read at the Roard a Memorial from the Right Honourable the Lords Commissioner of the Admiralty, dated the let of August 1873, in the world following, viz.

"Whereas in Your Majesty's Order in Council of 22nd

"Whereas in Your Majesty's Order in Council of 22nd february 150, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause its of section two appoints as follows:

"'Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may or modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the follow-line with a fitted:

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order

in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

See Order in Council, 4th August 1875, cancelling this.

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

jesty's said Order in Council is as follows:—
'To qualify a Capatia whose seniority prings him in
turn for advancement to the Active List of Flag
Officers he must have completed six years' Sea
Service as Capitain, or its equivalent in HarbourService, but the first three years of such period must
be Sea Service in command of a Ship of War at sea,
Such Officers as arrive at their turn for promotion
without having completed the qualifying Service to
be section! be retired.

"And whereas in section five, which defines 'Harbour Bervice,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders (with (4.) service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Rayal, Hong Kong, and Rio de Janelro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service. 300gle

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special

Ginnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to quality them for promotion to Flac Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:

(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:

Hardy Ship, surject to the following exceptions:

1. Three years served in any Harbour Ship or First
Reserve (Coast Guard) Ship, or in any Tender to
such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not

as Sea Service in a Ship of War at sea.
2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"This shall not apply to any Officer who retired before

1st August 1878.

"8. Service subsequent to 1st August 1878, in Tenders to Harbour Ships and to First Reserve (Coast Guard No rearrour Sinps and to First reserve Coast value of the Ships at Home, and in Harbour Ships About and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council, WHERMAR there was this day read at the Board a Memorial from the Bight Homeurable the Louis Commissioners of the Admiralty, dated the 10th of May 1870 in the words following, viz.

"Whereas by Your Majesty's Orders in Council of the 2nd February 1876, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet; Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty;

"1st. As regards service of Officers on Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service, we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterward as two-thinds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"Ind. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four

vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would be to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieuterant, was contained in the Order of Council of 22nd of February 1870.

"4th, As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is baddown by Your Majesty's Grider in Council of 20th June 1985. Staff Commanders and Paymasters whereas it is baddown by Your Majesty's Grider in Council of the International Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Captain, and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters time, and not more than 4 years' time, and not more than 4 years' time, as Assistant Paymasters, shall be retired with the rank of Paymasters in Chief: And whereas by Your Majesty's Order in Council of 22nd February 1876 it has been per Order in Council of 22nd February 1876 it has been per Order in Council of 22nd February 1876 it has been per Order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been per order in Council of 22nd February 1876 it has been

C. L. PREL.

#### Order in Council of 18th August 1882. No. 18.-N.

At the Court at Osborn House, Isle of Wight,
The 18th day of Juguet 1882.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right-Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1882, in the words following, viz.:-

"Whereas, by the provisions of Your Majesty's Order in Council of 22nd February 1870, Sec. X., the retired pay of Chief Engineers, R.N. entered after 25 years of pay of Chief Engineers, R.N. entered after 25 years of see depends on their service only, instead of on age and service combined as is the case with other Chief Engineers. Whereas the aforesaid Officers do not ordinarily reach the rank of Chief Engineer at a sufficiently really age to allow them, before they are compulsorily retired at 55 years of age, to complete the 11 years service requisite under Sec. II. Art. 4, and 8cc. IX. (note) of the said Order in Council, to enable them to reakon all junior service for increase of retired pay, and they, in consequence, receive on retirement only the active Half-hay of their rank. e Half-pay of their rank.

Whereas we are of opinion that, although the provision adversely affecting these Officers was designed to obviate the possibility of a high scale of retired pay being applicable to them after comparatively short service, yet it was never intended to exclude efficient Officers from all participation in the benefits of the

scale of retired pay established by Your Majesty's Order in Council of 22nd February 1820.

And whereas Engineer Officers will not in future be entered after the sign of 25: We beg to recommend that Your Majesty will, by your Order in Council of Lend Clause 4 of Sec. X. of the Order in Council of 22nd Feb. 1870, so far as relates to Chief, Engineers on the Active List on 1st April 1882, in the following manner,

Chief Engineers who entered after 25 years of exc. and who have completed 8 years' service in that and who have completed 8 years' service in trank, shall, on compulsory retirement, if otherwisequalified, be granted an amount of retired pay equition a rate of half pay lead on the following projection, viz., that all confirmed Junior service shall be allowed to count for such rate of half-ray irrespective of the provisions of the scale relating planter Service in the Order in Council of 22nd Fr

1870, the effect of which will be more nearly to assimilate their retired pay with that of Officers similarly situated

who entered under 25 years of age.

"We beg to observe that the Lords Commissione's of Your Majesty's Treasury have signified their con-currence in this proposal."

Her Majesty, having taken the said Memorial frio consideration, was pleased, by and with the advice f Her Privy Council, to approve of what is therein pri-posed. And the Right Honourable the Lords Commi-sioners of the Admiralty are to give the necessity directions herein accordingly.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of One Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A HALF STERLING: which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

#### FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

#### LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever.

During the last thirty years the BONUS has averaged

One Pound Ten Shillings per Cent. per Annum on the Sum Assured. The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of

the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will com-

pletely extinguish all future Premiums payable under the Policy.

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, not subject to increase on their being ordered abroad or residing whilst in either of these Services in any part of the world.

The following are the Whole-world Rates for an Assurance of 100% on the life of a Naval

Officer, exclusive, however, of the risk incurred in actual warfare. A co With Profits | Without Profits | Age | With Profits | Without Profits
